### *Director's comment on the film:*

This film has something to do with my first short film *Stranger Within Me*. A story of a man's desperate violence after a break-up.

In *Thirst For Revenge* Mette Maria Ahrenkiel had the story of Medea in mind. She had only 24 hours to capture the character in the film. I'm proud of her performance.

*Thirst For Revenge* is a fragmentary tale of revenge as an unrelieved and unredeemed wish.

Revengeful woman: **Mette Maria Ahrenkiel**  
Man in cage: **Runi Lewerissa**
